John graduated in 1975, dedicating his working life to public practice as a Chartered Accountant. During this time, he has obtained expertise in a broad range of industries, including manufacturing, importing, wholesale, retail and professional services.

As a registered Company Auditor, John has been able to utilise his focus and attention to detail to assist clients and assist the firm to develop its Audit division. In addition, his audit skills are applied in performing Due Diligence & Transaction Advisory evaluations and agreed upon procedures assignment where clients request a report of assurance in respect of particular financial information.

Outside of work, John enjoys travelling and is always planning his next adventure, whether it's a getaways with family or overseas travel with friends also visiting family connections in Greece. On weekends he enjoys the outdoors including long walks, a past passion with sailing and the occasional golf game
