Kwan is an Audit Manager with more than 20 years of experience in accounting and auditing across Australia and New Zealand. He is a Chartered Accountant (CA), Chartered Tax Adviser (CTA), and Registered Company Auditor (RCA).

Throughout his career, Kwan has worked with a broad range of organisations, delivering audit and assurance services across diverse sectors. His extensive experience enables him to provide practical insights and a strong understanding of regulatory and reporting requirements, helping clients meet their compliance obligations with confidence.

Kwan specialises in audit and assurance engagements across a variety of industries, including manufacturing, retail, not-for-profit organisations, industry associations, unions, tertiary education and training providers, retirement villages, and registered managed investment schemes.

Outside of work, he enjoys photography and capturing memorable moments with family and friends.
