Michael is a Chartered Accountant and Registered Company Auditor with more than 15 years of experience delivering audit and assurance services to clients across both the public and private sectors.

Throughout his career, Michael has worked with a diverse range of organisations, providing high-quality audit services across industries including not-for-profit organisations, schools, community centres, manufacturing, engineering, aged care, and professional services. His broad industry knowledge, attention to detail, and commitment to delivering practical insights enable him to build strong relationships with clients and provide assurance solutions tailored to their needs.

Michael is dedicated to maintaining the highest professional standards and helping clients navigate complex regulatory and financial reporting requirements.

Outside of work, Michael is a passionate sports enthusiast, with a particular interest in basketball and Australian Rules football. He also enjoys spending quality time with family and friends.
