Nadia has over 10 years of experience in public practice, specialising in the preparation of tax returns and financial statements for a wide range of entities, including companies, trusts, and Self-Managed Superannuation Funds (SMSFs). She joined the firm in 2026 and has built excellent relationships with clients and their financial planners, delivering tailored tax planning and advisory services.

In recent years, Nadia has also expanded her skill set by assisting with a variety of audit and assurance engagements, further strengthening her ability to provide well-rounded financial insights to clients. Outside of work, Nadia has a passion for cooking and spends time in the kitchen almost every day. She enjoys experimenting with different cuisines and creating a variety of meals for her family. Her favourite taste tester is her daughter, who is quite the little foodie and is always eager to try something new.
