Sarah joined Kidmans Partners in 2021. She brings extensive experience across business operations, process improvement and client service, having worked in professional services prior to joining the team. Sarah is passionate about creating efficient systems and supporting the team to deliver exceptional outcomes for clients. She also enjoys coordinating staff events and initiatives that help foster a positive workplace culture.

Outside of work, Sarah loves travelling and is always planning her next adventure, whether it's a weekend getaway in Australia with family or an overseas trip with friends. She enjoys experiencing new places through their culture and cuisine and, after each trip, likes to create photo books to capture the memories.
